TO ALL DEPED REGIONAL DIRECTORS
DEPARTMENT OF EDUCATION
PHILIPPINES

Subject: Invitation to Participate in EdTech Teacher Training Center's CPD Programs via Zoom and Non-CPD Courses via Google Classroom

Dear Regional Directors,

Greetings in the name of continuing professional development!

Consistent with the Continuing Professional Development (CPD), the EdTech Teacher Training Center as a recognized CPD Provider following the "Implementing Rules and Regulation (IRR) of Republic Act No. 10912, otherwise known as the CPD Act of 2016 set forth by the Professional Regulation Commission in Resolution No. 1032, Series of 2017, we are humbly presenting our CPD accredited professional development programs and courses offered by our training center. We earned the accreditation of these programs to be offered to our fellow teachers through the evaluation and approval of the CPD Council for Professional Teachers of the Professional Regulation Commission, which certified that every topic was aligned with the Philippine Standards for Professional Teachers (PPST) and with Philippine Professional Standards for School Heads (PPSSH).

In line with DepEd Order No. 8, s. 2013, which emphasizes the importance of fostering healthy partnerships among local, national, and international stakeholders through inter-agency or inter-country programs, projects, or activities, we are fully aligned with the Department of Education's vision. This order also sets clear guidelines for the issuance of advisories related to events and activities involving school personnel or students, ensuring compliance with DepEd policies. As a PRC-accredited CPD Provider, we take pride in being an active local stakeholder committed to advancing the professional development of educators. We are thrilled by the opportunity to collaborate with you on this significant event and contribute to the continuous growth and success of quality education in our community.

In light of this, we are pleased to **inform and invite** teachers under you that they may attend and participate in our quality training in line with digital literacy, skills training, and educational technology tools for curriculum and instruction, content learning, and pedagogy. The CPD programs will be conducted through synchronous and live webinar training workshops via Zoom Conferencing platform to ensure guided professional learning with actual interaction with the teacher-participants, and the Non-CPD programs and courses will be conducted in a self-paced asynchronous modality via Google Classroom.

With this, we will conduct the said virtual trainings for teachers and school leaders with CPD Accreditation No. PTR-2022-393 with corresponding CPD units for each program. Under the subject are the mentioned programs below, which will surely secure credit units for licensed professional teachers for their license renewal.
