MEMORANDUM

To: Assistant Schools Division Superintendent
Chief Education Supervisors (CID and SGOD)
Public Secondary School Heads
All Others Concerned

From: NYMPHA D. GUEMO
Schools Division Superintendent

Subject: Implementation of Project CREST-LS (Collaborative Research for Enhanced Science Teaching through Lesson Study)

Date: December 10, 2024

1. Aligned with DepEd's goal of providing quality basic education to learners and supporting teachers to teach better, SDO Ligao City will implement Project CREST-LS (Collaborative Research for Enhanced Science Teaching through Lesson Study) focused on the Senior High School core subject such as Disaster Readiness and Risk Reduction (DRRR), Physical Science and Earth and Life Science.
2. Specifically, the project aims to:
 - a. Deepen understanding of teachers on content and pedagogies that support diverse learners' needs and promote active participation and collaboration;
 - b. Enhance teachers' competence in creating/designing and implementing student-centered lessons;
 - c. Develop teachers skills in collaborative lesson planning, peer observation and reflective analysis;
 - d. Foster professional learning community focused on continuous improvement of teaching and instructional leadership practices; and
 - e. Promote partnerships with Higher Education Institutions (HEIs) and other agencies that can provide technical assistance and expertise in the implementation of lesson study practices.
3. The implementation of this project shall be hosted by Ligao National High School. The participants are select teachers and school leaders offering STE, STEM and Tech-Voc from Ligao NHS, Dogracias P. Princesa Memorial High School and Ligao City National Technical Vocational High School.
4. Expenses relative to the implementation of the project shall be chargeable against school MOOE/local funds subject to the usual accounting and auditing rules and regulations.
