All Others Concerned

1. In reference to OM-OUGOPS Memorandum No. 2026-08-02938, titled "Instruction No. 2 for the Implementation of the School-Based Feeding Program (SBFP) FY 2026", this Office would like to inform the concerned schools of the adjustment in the food cost of hot meals from **P22 to P27/day/beneficiary** starting **September 21, 2026.**

2. The adjustment is intended to address the prevailing cost of food commodities and to ensure the continued provision of quality and nutritious meals for SBFP beneficiaries. However, the operational expenses will remain **P3/day/beneficiary.**

3. Below are the adjusted remaining feeding days of hot meals:

MONTH	NO. OF FEEDING DAYS
Sept. 21 to 30, 2026	8 days
Oct. 1 to 31, 2026	21 days
Nov. 3 to 20, 2026	14 days
Total	**43 days**

4. For schools implementing the SBFP through **catering services**, no adjustment shall be made to the existing feeding arrangement. The approved food cost, feeding duration and other provision under the existing contract shall remain in effect. Feeding days affected by class suspensions shall be made up by extending the feeding period to ensure that the hot meals covered by the approved contract are fully served.

5. Schools are also reminded to continue observing the prescribed cycle menu, food safety and sanitation practices, proper portion sizes and documentation requirements throughout the implementation of the program.

6. Schools with missed feeding days due to school activities prior to the end-of-term break shall extend their feeding period to catch up and complete the required number of feeding days.

7. For information and guidance of all concerned.
