MR. GILBERT T. SADSAD

Regional Director
DEPARTMENT OF EDUCATION RO-V
Rawis, Legazpi City

Dear Regional Director Sadsad,

Greetings from GFMIC, Inc.!

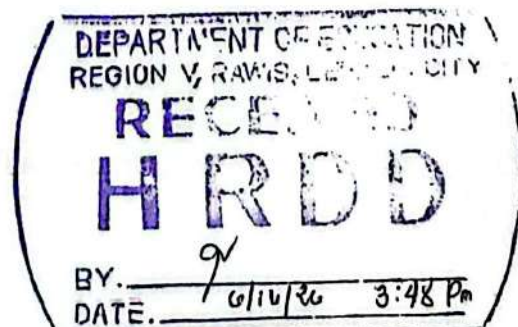

In line with the vision of GFMIC as the premier partner in building capacities towards effective Public Financial Management Systems (PFMS), it is continuously engaging in professional development for its members through the conduct of webinars/seminars relevant to public financial management, information and communications technology, and governance.

GFMIC, Inc. envisions all Information Technology (IT) professionals in government to become members of GFMIC, creating a vehicle of convergence with public financial management practitioners in pursuit of effective digital transformation in PFMS. As the premier professional association for government IT experts, GFMIC provides enhanced credentials, continuing professional development, and networking opportunities to advance careers in the digital transformation journey of their respective agencies. In this regard, GFMIC is pleased to extend this invitation to IT professionals to participate in its upcoming conference focused on AI-driven cybersecurity and digital governance.

Therefore, GFMIC invites you to a three-day conference on **August 11 - 13, 2026** with a theme: **"Securing Digital Philippines: Advancing AI-Driven Cyber Resilience in Government Transformation"**. This will be held at the **Cebu Technological University-Main Campus, Cebu City, via hybrid set up (face-to-face and via zoom)**.

Following are the topics for discussion: 1.) The State of AI in PH Government: 2026 and Beyond; 2.) Predictive PFM: Using AI to forecast budget utilization and revenue leaks; 3.) Cyber-Warfare 2026: Defending eBudget systems against AI-powered ransomware; 4.) The Privacy Shield: Navigating the Data Privacy Act in the age of Big Data; 5.) The Breach": A live tabletop exercise simulating a cyber-incident response for a government agency; and 6.) The Convergence: How AI can be used to detect and hunt cyber threats autonomously.
