DEPDev OPENS CALL FOR APPLICATIONS FOR 2026 PRESIDENTIAL FILPINNOVATION AWARDS,
INVITES FILIPINO INNOVATORS NATIONWIDE

MANILA – The Department of Economy, Planning, and Development (DEPDev), as Vice Chair of the National Innovation Council (NIC), is inviting *Filipinnovators* across the country to showcase solutions that can help shape the country's future, as it has officially opened the call for applications for the second cycle of the Presidential *Filipinnovation* Awards (PFA).

Pursuant to Executive Order No. 99, series of 2025, the Presidential *Filpinnovation Awards* is the country's highest recognition for outstanding Filipino innovation, honoring individuals, startups, and enterprises with innovations at early-stage commercialization and with strong potential for national impact.

Beyond national recognition, finalists and awardees will be supported with cash grants, structured mentoring and coaching from leading experts, and opportunities to participate in international innovation-related events. The PFA also strengthens connections between innovators and industry stakeholders, potential partners, and investors, providing a national platform that accelerates the development, validation, and commercialization of promising innovations.

The 2026 edition places greater emphasis on scalable solutions, market readiness, and meaningful linkages to industry, investors, and innovation enablers. This year's competition adopts an open category and welcomes applications from all Filipino individuals and Filipino-owned enterprises. It will follow a two-level competition structure, beginning with sub-national rounds in the National Capital Region, Luzon, Visayas, and Mindanao, and culminating in a final national round, where five (5) outstanding finalists will be formally conferred the Presidential *Filpinnovation Award* by the President of the Philippines.

"The successful first cycle of the Presidential *Filpinnovation Awards* demonstrated not only strong participation and quality of innovations but also the creativity and entrepreneurial spirit of Filipinos nationwide. As we open the second cycle, we aim to amplify the impact of Filipino-led innovations. We encourage more innovators to join us in building a smarter and more innovative Philippines," said DEPED Secretary and NIC Vice Chairperson Arsenio M. Balisacan.

Interested applicants are strongly encouraged to register early and submit their complete Application Form and documentary requirements through the official portal at <https://filpinnovation.deped.gov.ph/> from January 15 to March 15, 2026.

The DEPED Innovation Staff, as Secretariat of the NIC, will continue to manage the conduct of the 2026 PFA. Applicants may send inquiries and access additional information through the official [Filpinnovation Facebook Page](#) and the official [DEPED website](#).
